Prinshof School is a school for learners with visual impairment in Pretoria. We are a dedicated school community, committed to improve the lives of our vulnerable learners. Learner's performance have achieved numerous awards for Gr 12, 100% matric pass rate including Bachelors and Diploma entrance and TOP 10 LSEN School in Gauteng and District.

Our vision and mission is to create academic excellence and the holistic development of each individual learner.

88% of our learners comes from previously disadvantage communities and their parents only survive of SASSA grants.

275 of the 478 from Gr R - 12 learners enrolled at Prinshof School resides in 9 hostels on the school premises and although we are subsidised by the government, the amount accumulates to R100 per hostel learner per day! This includes 3 meals a day, water and electricity, daily maintenance in and around the hostels and additional staff provisioning.

This event is crucial in our efforts to raise funds for our hostels, therefor creating a "home from home".
